

# COVID-19 PROTOCOLS

KEEPING YOU HEALTHY WHILE KEEPING YOUR SMILE HEALTHY

We recommend wearing masks in the office.

At check-in, we will ask COVID-19 screening questions.

Once checked in, please wait in your vehicle instead of reception area.

We will ask you to wash your hands or sanitize them when you enter the office.

We will measure your temperature and may ask you to gargle with 1% hydrogen peroxide.

Please limit those in the office to patients with appointments, and at most, one guardian.

We no longer have communal items in the reception area.

Please keep a social distance of 6 feet whenever possible.

Please allow us enough time for enhanced disinfection between patients.

Please reschedule if anyone in your household has been sick in the last 2 weeks.
